

*Prayer
for
Peace*

Spirit of God,

We pause to breathe in
the possibility of peace.

Peace within us,
where we are restless.

Peace between us,
where we are divided.

Peace among us,
where violence reigns supreme.

We hold in our hearts those whose lives
have been torn apart
by violence in any of its forms.

Grant us the courage
to embody peace in our lives,
and to seek healing and restoration
in our hurting world.

Lord, make us instruments of your peace.

Amen.
