

2016

Annual Report

JustFaith Ministries is a non-profit organization that forms, informs, and transforms **people of faith** by offering **programs and resources** that sustain them in their compassionate commitment to **build a more just and peaceful world.**

People of Faith

In 2016, over 4,000 people across the United States completed a JFM program or Pathway. We relied on 322 volunteer facilitators to offer programs, and 703 individual and organizational donors to support them in their work. Since 2003, over 50,000 people have completed a program.

Programs and Resources

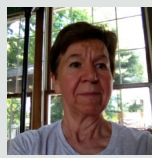

In 2016, JFM offered JustFaith, JustFaith Catholic, GoodNews People, Engaging Spirituality, JusticeWalking, and four JustMatters modules to small groups. We piloted short introductions to our programs, called Pathways, with 283 small groups. We provided a bi-monthly e-newsletter to 15,000 people, and two issues of Voices to 23,000 people.

Building a More Just and Peaceful World

Tim & Renee are JFM program grads who organized Virginia Beach Tidewater

Sowers of Justice. This network promotes JFM programs as a way of deepening the commitment to address the injustice of payday lenders, accompanying immigrants, walking with the imprisoned, offering food, and challenge a broken health care system.

Jaqueline completed the JustFaith program, and then the EngagingSpirituality program in Belleville,

IL. Her experiences led her to advocate for the poor internationally and in the US. through Catholic Relief Services, Oxfam, Bread for the World and for the environment through Environmental Defense Fund, Sierra Club, Union of Concerned Scientists, and Catholic Climate Covenant.

PJ participated in and led several JFM Programs. As a result, PJ dedicated his life to addressing

injustice against immigrants. Together with his wife, Amy, and other friends he started El Refugio, a hospitality house that welcomes families of those detained in one of the nation's largest detention centers. El Refugio also visits detained men and educates people about the injustices of immigration detention.

2016 Program Locations
