JustFaith Ministries’ new 8-week program, *Exploring Migration: A Faith Journey*, invites participants to formulate a personal response, inspired by their Christian beliefs, to the 21st-century reality of migration

The module is designed for small groups of 8 - 12 and explores some of the central questions related to the reality of migration on a global level and in the U.S. context.

The sessions provide historical, biblical, and theological perspectives and suggest ways participants can take faithful action for God’s people..
