## Phase I: Living Compassionately

The *new* JustFaith program invites you to gain deeper understanding of contemporary issues through the lens of Christian faith. In a small, supportive community, you will engage in reading, prayer, thought-provoking dialogue, and encounter as you create lasting relationships. The full JustFaith program is available over three phases, allowing you to experience this transformational journey in a timeline that fits your life. In Phase 1 of JustFaith, Living Compassionately - Caring for the Poor, you will focus on poverty, consumerism, and the Gospel call to care for the poor.

*[Compassion] is not a bending toward the underprivileged from a privileged position; it is not a reaching out from on high to those who are less fortunate below; it is not a gesture of sympathy or pity for those who fail to make it in the upward pull. On the contrary, compassion means going directly to those people and places where suffering is most acute and building a home there. - Henri Nouwen*
