Rich Christians in an Age of Hunger: Moving from Affluence to Generosity

By Ron Sider

When Ron Sider's *Rich Christians in an Age of Hunger* first appeared almost forty years ago, it shook readers to the core. Informed about the issues of world hunger and poverty, they could no longer ignore the plight of their global neighbors. This thoroughly revised edition of Sider's bestselling book outlines the progress that has been made in the last four decades-and the work that is still left to do.
